favoring the Airport Authorities. Think of all the new hotels and motels that are going up along the interstate that are outside the city limits that would very desperately believe they need a liquor license, but they cannot obtain one because it is prohibited without the vote of the people within the county. I think they should, at least, have as much preference as those people in the Airport Authority. As a matter of fact, I think it is probably more reasonable to have a liquor license in a hotel and a motel where they are serving food than it is at an Airport Authority. This Airport Authority, if they want to do so, now can obtain a bottle club license so I would think this legislation would be unnecessary and, especially, we must have to look at it as object special interest legislation primarily designed to help one or more Airport Authorities. So, I would like to bring this to your attention so you can know what to do on your Final Reading vote and now I would like to withdraw my motion.

PRESIDENT: Are there any objections to withdrawal of the motion? Any objections. Hearing none. So ordered, then. Motion is withdrawn. The clerk will proceed with the Final Reading of 381.

CLERK: Final Reading. LB 381.

PRESIDENT: The chair recognizes Senator Frank Lewis. For what purpose do you rise, Senator?

SENATOR F. LEWIS: Mr. President, I'd like to have it recorded that had I been present yesterday I would have voted in the affirmative for Resolution 31, LB 363, and LB 416.

PRESIDENT: Thank you. All right. Do we have any Resolutions on the desk?

CLERK: None, Mr. President. There is a Resolution pending.

PRESIDENT: All right.

CLERK: Senator Stull desires to consider it at this time. It's Legislative Resolution #29. It is found on Page 1135 of the Legislative Journal.

PRESIDENT: Senator Stull.

SENATOR STULL: Mr. President and members of the Legislature, I would like to move to suspend the Rules so that we could consider this Resolution. This Resolution salutes and honors a resident of Omaha that at one time was a resident out in western Nebraska, and I would move at this time to suspend the Rules so that we would bring this Resolution up at this time.

PRESIDENT: Any further discussion of the motion? The question is shall the Rules be suspended and the Resolution be taken up at this time. All those in favor vote aye. All those opposed vote no. Resolution #29.

CLERK: 1134. Page 1134 and 1135.

PRESIDENT: The question is shall the Rules be suspended and the Resolution taken up. Thank you. The Clerk will record.

CLERK: 30 ayes, Mr. President, on the motion to suspend the Rules.

PRESIDENT: Very good. (inaudible)

CLERK: The Resolution reads as follows: LR 29. Read.

PRESIDENT: The chair recognizes Senator Stull.
